1. Introduction

- 1.1 Birmingham Metropolitan (BMet) College (the College) was incorporated under the provisions of the Further and Higher Education Act 1992.
- 1.2 Its structure of governance is laid down in the Instrument and Articles of Government. The College is accountable through its Corporation, which has ultimate responsibility for the effectiveness of its management and administration.
- 1.3 The College is an exempt charity by virtue of the Further and Higher Education Act 1992 and the Charities Act 1993 as amended by the Charities Act 2006. This means that the College has the privileges of charitable status (including exemption from Income and Corporation Tax on most of its activities) without being required to register with or submit accounts to the Charities Commission. Therefore, the College has no charity number.
- 1.4 Following reclassification of Colleges into the public sector, BMet operates from the 1st August 2024 in line with the College Financial Handbook.
- 1.5 The financial contracts between the Funding Bodies and the College set out the terms and conditions on which grants are made. The Corporation is responsible for ensuring that conditions of grant are met. As part of this process, the College must adhere to the Funding Bodies' Joint Audit Code of Practice, which requires it to have sound systems of financial and management control. These financial regulations form part of this overall system of accountability.

2. Status of the Financial Regulations

- 2.1 This document sets out the College's financial regulations. It translates into practical guidance, the College's broad policies relating to financial control and administration. It applies to the College and any subsidiary undertakings that may from time to time exist.
- 2.2 These financial regulations are subordinate to the College's Instrument and Articles of Government and to any restrictions contained within the financial memorandum with the regulatory bodies, and the funding bodies Joint Audit Code of Practice.
- 2.3 The purpose of these financial regulations is to provide control over the totality of the College's resources and provide management with assurances that the resources are being properly applied for the achievement of the College's strategic plan and business objectives. The underlying financial objectives include:-
 - financial viability,
 - achieving value for money,
 - fulfilling its responsibility for the provision of effective financial controls over the use of managing public money,
 - ensuring that the College complies with all relevant legislation and
 - safeguarding the assets of the College and ensuring its solvency.
- 2.4 Compliance with the financial regulations is compulsory for all staff and Corporation Members connected with the College. A member of staff who fails to comply with the financial regulations may be subject to disciplinary action under the College's disciplinary policy. The Corporation will be notified of any material breach through the

Audit Committee. It is the responsibility of the employing manager to ensure that their staff are made aware of the existence and content of the College's financial regulations.

- 2.5 The Corporation is responsible for maintaining a continuous review of the financial regulations through the Chief Financial Officer (CFO), and for making any additions or changes necessary. The Board must ensure budget forecasts for the current year and beyond are compiled accurately, based on realistic assumptions, including any in relation to the maintenance of capital assets and reflect lessons learned from previous years. The Board should challenge the learner number estimates on which the budget is based, as these underpin revenue projections.
- 2.6 In exceptional circumstances, the Corporation may authorise a departure from the detailed provisions contained herein. The Audit Committee may also authorise a departure from the detailed provisions herein, such departure is to be reported to the Corporation at the earliest opportunity.
- 2.7 The College's detailed financial procedures set out precisely how these regulations will be implemented and are contained in separate policy documents, which are available to all staff.
- 2.8 These Regulations are additional to United Kingdom legislation, orders and directives.
- 2.9 The financial regulations are an integral part of the College's risk management framework. Other important documents to be read alongside these financial regulations include the Financial Memorandum, the Audit Code of Practice, and the College Risk Management Policy.

3. Financial Responsibilities

- 3.1 The Corporation is responsible for the overall financial management of the College. It may, however, delegate such powers as it considers appropriate to an authorised sub-committee set up within the terms of the Instruments and Articles of Government, or to a named individual as accounting officer. This should be a senior executive leader (principal or chief executive) and must be a suitable person for the role.

The appointment of an accounting office does not remove the governors 's ultimate legal responsibility for proper conduct and financial operation of the college.

The Corporation's financial responsibilities are to:-

- ensure the solvency of the College and the safeguarding of the College's assets,
- appoint, grade, suspend, dismiss and determine the pay and conditions of service of the Principal and other senior post-holders,
- set a framework for pay and conditions of service of all other staff,
- ensure that the financial, planning and other management controls, including controls against fraud and theft, applied by the College are appropriate and sufficient to safeguard public funds,
- approve the appointment of external auditors and an internal audit service,
- secure the efficient, economical and effective management of all the College's resources and expenditure, capital assets and equipment, and staff, so that the investment of public funds in the College is not

put at risk,

- ensure that appropriate financial considerations are taken into account at all stages in reaching decisions and in their execution,
- plan and conduct its financial and academic affairs so that its total income is not less than sufficient, taking one year with another, to meet its total expenditure,
- approve an annual budget before the start of each financial year,
- ensure that financial plans are prepared and monitored, satisfying itself that the college remains financially sustainable,
- take a longer-term view of the college's financial plans, consistent with the requirement to submit budget and forecast information to the DfE in accordance with the College financial planning handbook,
- set and regularly review the college policy for holding reserves,
- ensure appropriate action is being taken to maintain financial viability, including addressing variances between the budget and actual income and expenditure. ⁱ
- Liaise with the DfE if signs of financial difficulty emerge, either as an immediate issue or anticipated risk, ⁱⁱ
- determine tuition fees,
- ensure that the College complies with the funding body's Joint Audit Code of Practice, and
- approve the College's financial plan, strategic plan and financial statements.

3.2 The Terms of Reference for the Corporation and sub committees define their respective financial responsibilities.

3.3 The Principal is the College's designated Accounting officer which carries specific responsibilities for financial matters. It includes a personal responsibility to Parliament, and to DfE's accounting officer, for the college's financial resources. in accordance with the Financial Memorandum. In particular, the Principal:

- must be able to assure DfE's accounting officer, Parliament and the public, of high standards of Probity in the management of public funds, particularly regularity, propriety, feasibility and value for money including the 3 elements of value for money.
 - Economy: reducing the cost of resources used for an activity, while maintaining quality.
 - Efficiency: achieving the intended outcomes or objectives.
 - Effectiveness: achieving maximum output for given inputs, or minimum inputs for a given input..
- preparing annual estimates of income and expenditure, for consideration and

approval by the Corporation, and for the management of budget and resources, within the estimates approved by the Corporation.

- must have oversight of financial transactions by Ensuring that the college group's property and assets under the governors' control, and measures exist to prevent losses or misuse.
 - ensuring bank accounts, financial systems and financial records are operated by more than one person.
 - keeping full and adequate accounting records to support the college's annual report and accounts.
-
- Completing and signing a statement of regularity, propriety and compliance each year and submit to the DfE with the college's audited annual report and accounts, as set out in the College accounts direction.
 - **Must** take personal responsibility (which **must not** be delegated) for assuring the board that there is compliance with the accountability agreement, this handbook and the college's governing document. This includes where such action conflicts with the duties of the accounting officer to ensure regularity, propriety, value for money and feasibility. Though it should be noted that this obligation on the part of the accounting officer does not remove or reduce the responsibility of the governors for oversight of compliance.
 - Formally advising board members in writing if action the board is considering is incompatible with the Instrument and Articles of government, Accountability agreement, College financial handbook or the Managing Public Money handbook.
 - Formally advise board members in writing if the board fails to act where required by the Instrument and Articles, Accountability agreement or Managing Public Money handbook. Where the board is nevertheless minded to proceed, the accounting officer must consider the board's reasons as provided in writing. If the accounting officer is required to implement the board's decision, but still considers the action proposed by the board is in breach of the Instrument and Articles of government, the accountability agreement or the Managing Public Money handbook, the accounting officer must notify DfE's accounting officer as soon as practical in writing.
 - adhere to The Seven Principles of Public Life
 - Selflessness - act solely in terms of the public interest.
 - Integrity - avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.
 - Objectivity - act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
 - Accountability - be accountable to the public for their decisions and actions and submit themselves to the scrutiny necessary to ensure this.
 - Openness - act and take decisions in an open and transparent manner.

Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

- Honesty - be truthful.
- Leadership - exhibit the Nolan principles in their own behaviour and treat others with respect; actively promote and robustly support the Nolan principles and challenge poor behaviour wherever it occurs.

3.4 Financial administration is controlled by the Chief Financial Officer (CFO). The CFO and their staff must be appropriately qualified or experienced. The CFO is responsible to the Principal for:

- preparation of annual capital and revenue budgets and financial plans, along with detailed cash flow forecasts,
- preparing accounts, management information, monitoring and control of expenditure against budgets and all financial operations,
- preparing the College's annual accounts and other financial statements and accounts which the College is required to submit to other authorities,
- ensuring that the College maintains satisfactory financial systems,
- providing professional advice on all matters relating to financial policies and procedures,
- day-to-day liaison with internal and external auditors in order to achieve efficient processes, and
- managing the Head of Finance and the College Finance & Payroll Teams.

3.5 Members of the Senior Leadership Team (SLT) are responsible to the Principal for financial management for the areas or activities they control. This includes the economic, effective and efficient use of resources allocated to them. They are advised by the CFO in executing their financial duties.

3.6 The Head of Finance (HoF) will supervise and approve the financial systems operating within departments, including approval of budget holders and the form in which accounts and financial records are kept.

3.7 Directors/Heads of departments are responsible for establishing and maintaining clear lines of responsibility within their department for all financial matters including delegation of budgets. Where resources are devolved to budget holders, they are accountable to their member of SLT for their own budget.

3.8 Members of SLT and Directors/Heads of departments shall provide the CFO with such information as may be required to enable:

- preparation of the College's financial statements
- preparation of the annual budget and in-year forecast outturns
- implementation of financial planning

- implementation of audit and financial reviews, projects and value for money studies

3.9 The college must appoint a governance professional to support the board who is someone other than a governor, principal or chief executive of the college. This position need not be held by an employee of the college, and the responsibilities may be undertaken by a third-party provider of professional services, if such an arrangement provides a more effective service or better value. The governance professional provides advice to the board with regards to:

- the operation of its powers,
- procedural matters,
- the conduct of its business,
- matters of governance practice.

College accountability agreements require that individuals appointed to the position of governance professional **must** have a relevant qualification or equivalent experience.

Colleges must not appoint or retain in post trustees or senior managers who are disqualified under the Charity Commission's automatic disqualification rules.

For the avoidance of doubt, the automatic disqualification rules apply to (but are not limited to) the positions of accounting officer, CFO and governance professional.

3.10 All members of staff should be aware and have a general responsibility for the security of the College's property, for avoiding loss and for due economy in the use of resources.

They should ensure that they are aware of the College's financial authority limits and the values of purchases for which quotations and tenders are required.

They shall make available any relevant records or information to the CFO or their authorised representative in connection with the implementation of the College's financial policies, these financial regulations and the system of financial control.

They shall provide the CFO with such financial and other information as they may deem necessary, from time to time, to carry out the requirements of the Corporation.

They shall immediately notify the CFO and HoF whenever any matter arises which involves, or is thought to involve, irregularities concerning cash, or property of the College.

The CFO shall take such steps as necessary by way of investigation and report to the Audit Committee.

3.11 The CFO is responsible for reviewing the financial regulations and for presenting a revised version to the Corporation on an annual basis.

Authority to implement administrative changes to the financial regulations (such as changes to post titles for responsible staff) is delegated to the Principal and CFO

Substantive changes (such as delegated authority levels) require the approval of the

Corporation.

- 3.12 The CFO is also responsible for ensuring that the financial information requirements of the regulator and the banks are met. Any failure to meet these deadlines is reported to the Principal, together with an explanation for the delay.

4. Novel, contentious and repercussive transactions

- 4.1 Novel, contentious and repercussive transactions must always be referred to the DfE for approval, and the request must be made to the DfE before the transaction occurs.

The DfE may refer such transactions to HM Treasury for approval, so colleges should allow sufficient time for proposals to be considered.

- 4.2 Novel transactions are those of which the college has no experience or are outside its range of normal business.
- 4.3 Contentious transactions are those that might cause criticism of the college by Parliament, the public or the media.
- 4.4 Repercussive transactions are those that may have wider financial implications for the sector, or which appear to create a precedent or cause pressure on other colleges or the wider public sector to take a similar approach and hence have a wider financial implication, including where the college's proposal could cause additional costs to arise for other parts of government.

5. Strategic Planning

- 5.1 The CFO is responsible for preparing annually a rolling three-year financial plan for approval by the Corporation and for preparing financial forecasts for submission to the DfE. Financial plans should be consistent with the strategic plans and property strategy approved by the Corporation.
- 5.2 On occasions, more regular updates of the plan will be required to support capital funding applications. It may also be necessary to extend the plan to five or more years.

6. Budgeting

- 6.1 The Principal in consultation with the CFO is responsible to the Corporation for preparing the annual income and expenditure and capital expenditure budget.

The annual budget shall be considered and approved by the Corporation prior to 31st July each year for the following financial year.

The college must submit its budget forecast to DfE, in a form and manner specified by DfE in the College financial planning handbook and in accordance with deadlines published annually. This is necessary for DfE to be able to formally assess the financial health of individual colleges, and of the sector as a whole.

The Corporation shall not delegate the approval of the annual budget and will approve the budget by resolution.

- 6.2 The Principal and CFO are empowered to designate members of staff as Budget Holders. Budget Holders shall be responsible for the control and monitoring of expenditure within budgets allocated to them.
- 6.3 The Principal shall be accountable to the Corporation for effective budgetary control within the approved revenue and capital budgets.
- 6.4 Budget Holders shall submit such information to the CFO or their nominee as is necessary to enable annual estimates of revenue income and expenditure and capital expenditure to be submitted by the Principal to the Corporation for their approval.
- 6.5 Pay budgets for teaching departments will be calculated and agreed by the Principal, the CFO and the Budget Holder based on an estimate of course enrolments and required teaching hours. This budget will be reviewed following actual enrolment and appropriate adjustments then made to the original budget to reflect any course changes.
- 6.6 The capital programme includes all expenditure on land, buildings, equipment, furniture and associated costs whether or not they are funded from capital grants or capitalised for inclusion in the College's financial statements. Expenditure of this type can only be considered as part of the capital programme approved by the Corporation.
- 6.7 All capital projects should be detailed separately in the annual capital budget. However, the capital budget may include general provisions for projects or items not specified at the time of the budget approval.
- 6.8 The CFO will also establish procedures for the approval of variations, including the notification of large variations in excess of £100,00 to the regulator, as laid down in the Financial Memorandum and other guidelines.
- 6.9 Following completion of a capital building project over £1 million, or a capital building project where the final cost exceeds the authorised budget by more than 5% a post-project evaluation or final report should be submitted to the Corporation including actual expenditure against budget and reconciling funding arrangements where a variance has occurred as well as other issues affecting completion of the project. Post-project evaluations may also need to be sent to the regulator as laid down in their guidelines.
- 6.10 The control of income and expenditure within an agreed budget is the responsibility of the designated Budget Holder who must ensure that day to day monitoring is undertaken effectively. The Budget Holder will be assisted in this duty by management information provided by the HoF. Budget holders are responsible for establishing and maintaining clear lines of responsibility within their areas for all financial matters.
- 6.11 Budget holders may be granted permission to transfer (vire) monies between cost centres within the same department. Authority for this should be obtained in advance from the CFO or HoF. Virement limits are set out in Appendix A to the regulations.
- 6.12 Budget holders are accountable for their budgets and must under no circumstances exceed the total budget allocated to them. Any budget holder who fails to comply with this may be subject to disciplinary action under the College's disciplinary policy.
- 6.13 Any potential departures from agreed budgetary targets must be reported immediately to the CFO by the Budget Holders concerned and, if necessary, corrective action taken.

- 6.14 The Principal, or CFO, may authorise transfers between income and expenditure cost centres and capital projects provided that:
- (a) the budget underlying operating surplus will not be reduced during the current financial year,
 - (b) there will be no additional financial commitment, as a result, in subsequent financial years,
 - (c) the amount transferred is less than 5% of the College's overall budgeted expenditure for the year,
 - (d) virements of capital projects will be limited as specified in Appendix A of these regulations.
 - (e) departmental contributions margins do not fall below originally agreed budget

Transfers greater than 5% of the College's overall budgeted expenditure for the year require the authorisation of the Corporation.

- 6.15 Any increase in budgeted expenditure will be authorised as specified in Appendix A of these regulations. In urgent cases the Chair of the Corporation and the Principal jointly have power to act on behalf of the Corporation. Such action will be reported to the Corporation at the earliest opportunity.

7. Financial Information

7.1 Annual Financial Statements

- 7.1.1 A Statement of Accounts is to be prepared in accordance with the requirements of the statement of recommended practice (SORP) for the sector and DfE college accounts direction and OfS regulatory framework including the OfS accounts direction.

7.1.2 The accounting period of the College ends on the 31 July.

7.1.3 The accounts must be audited in line with the requirements of the post-16 audit code of practice.

7.1.4 The Accounts are to be prepared and reported to a Corporation meeting within five months of the year-end date. The audited annual report and financial statements must be;

- submitted to the DfE by 31 December
- published on the college's website as soon as possible after the accounts are signed and no later than 31 December, provided to anyone who requests a copy.

7.1.5 Any significant adjustments, found as a result of the external auditor's work, are to be reported to the Audit Committee.

7.2 Management Accounts

7.2.1 Management accounts are to be prepared on a monthly basis by finance team and reviewed by the CFO.

7.2.2 Detailed management accounts must be distributed to the Senior Leadership Team, with the

latest accounts provided to the Corporation at each meeting.

7.2.3 A forecast outturn will be undertaken at the three-month, six month and nine-month points of the financial year. The results of which will be reported to the Corporation. Publication of the management accounts may be delayed in these months to allow time for the forecast to be completed.

7.2.4. An annual statement comparing the actual financial results with the forecast outturn will be presented to the Corporation.

7.2.3 Budget Holders will receive a monthly summary of their cost centre(s), together with detailed reports on request, breaking the totals down into the individual transactions.

8. College Financial Operations

8.1 Income

8.1.1 The CFO is responsible for ensuring that appropriate procedures are in operation to enable the College to receive all income to which it is entitled. All receipt forms, invoices, tickets or other official documents in use must have the approval of the CFO.

8.1.2 Budget Holders shall furnish such particulars of charges for work done, goods supplied, or services rendered on behalf of the College and all amounts accruing due, as the CFO may require in order to ensure that there is prompt recording of all sums receivable by the College.

8.1.3 Monies due shall be requested on College invoices issued by the Finance Department. Other staff or officers are not permitted to deal directly with this matter unless agreed by the CFO or HoF.

8.1.4 Appropriate debt recovery procedures shall be determined by the CFO. The CFO will submit details of any write-off of any individual bad debts in excess of £45,000 that may be required to the Corporation for authorisation. Individual debts below this level may be written off in accordance with the limits specified in Appendix D to these regulations. DFE approval will be required if the write-off exceeds 1% of annual income or £45k individually (whichever is smaller) or if the write off takes the colleges cumulative total write-offs for the academic year beyond 5% of its annual income of £250k (whichever is the smaller).

8.1.5 Directors and Heads of Departments are responsible for ensuring that the arrangements for monies received including banking and security comply with the procedures issued by the College.

8.1.6 Every sundry remittance or sum of money, in excess of £5, received by an officer of the College must be acknowledged by the issue of an official receipt. The Finance Department shall issue official receipt books on request.

8.1.7 Cheque payments must be supported by cheque cards and the card number noted on the back of the cheque.

8.1.8 All tuition fees, charges, rents and lettings shall be reviewed annually in consultation with the CFO and recommendations relating thereto shall be incorporated in the

proposed annual budget presented to the Corporation.

- 8.1.9 The procedures for collecting tuition fees must be approved by the CFO and they are responsible for ensuring that all student fees due to the College are received.
- 8.1.10 Any student who has not paid an account for fees owing to the College may be withdrawn from the College and prevented from re- enrolling at the College and from using any of the College's facilities unless appropriate arrangements are agreed for the payment of outstanding fees.
- 8.1.11 Disbursement from the Learner Support Fund is the responsibility of the Director of Student Experience within the framework agreed by the CFO and the manager/s responsible for the allocation of payments to students. The CFO must ensure that appropriate controls are in place for the control, accounting and disbursements of these funds, and for the submission of such reports required by the Funding Body.
- 8.1.12 Any requests for Credit Notes to be raised will be authorised in line with the Colleges Credit Notes Authorisation Procedure.

8.2 Expenditure

- 8.2.1 Official orders shall be issued for all works, goods and services except for such items as recurring charges for public utilities, periodic payments, credit card purchases, petty cash purchases and any other exceptions approved by the CFO.
- 8.2.2 Where expenditure is approved by the Corporation and minuted accordingly, authority to raise appropriate purchase orders is automatically delegated to the Principal and CFO.
- 8.2.3 Purchase Orders and invoices may be authorised by the Principal or CFO without further reference to the Corporation.
- 8.2.4 Official orders shall not be raised for any personal or private purchases, nor shall personal or private use be made of College contracts.
- 8.2.5 Wherever possible orders should be raised through a supplier on the college's approved supplier list through one of the approved procurement consortia used by the College such as Crescent Purchasing consortium (CPC) and NHS Shared Business Services (NHSSBS).
- 8.2.6 No employee shall engage any supplier of goods or services in which they have a pecuniary, family, or other interest, direct or indirect without first seeking the prior written approval of the Principal, or CFO. A duly completed Value for Money Form must be provided to the CFO in all such cases.
- 8.2.7 Any employee of the College who has any pecuniary, family or other interest, direct or indirect, in any supplier of goods or services to the College, shall be responsible for making a declaration of the interest to the Principal.
- 8.2.8 Official orders must be authorised on-line by budget holders as appropriate. The CFO shall ensure internal delegation levels exist and are applied and will maintain a register of authorised Budget Holders and cost centre codes as appropriate.
- 8.2.9 Directors with responsibility for capital projects are responsible for ensuring that the

appropriate approvals and funds are in place (including where necessary the DfE) before commitment is made. This should be in consultation with the CFO.

- 8.2.10 The placing of orders by telephone is generally prohibited. However, in an emergency, subject to the approval of the CFO or HoF, orders may be given orally or by other means provided an official order number is quoted to the supplier and the order is confirmed by use of the on-line system on the same or following working day.
- 8.2.11 Each order must clearly indicate the nature and quantity of the supplies or services required, the estimated price including VAT and any agreed discounts and other relevant details. The college must ensure the spending is for the purpose intended.
- 8.2.12 All contracts or orders entered into on behalf of the College must be signed by an authorised signatory and authorised as specified in Appendix A of these regulations. This can be done electronically using the on-line purchase order system. Once a contract has been awarded there should appropriate contract monitoring in place.
- 8.2.13 As part of the management account when a reforecast is done details showing year to date, all suppliers where total payments in the preceding financial year have exceeded £250,000 are provided.
- 8.2.14 Any combination of items which form a scheme or project must be treated as an individual contract or order for authorisation purposes. Where there is any doubt as to whether any combination of items constitutes a scheme or project, then the direction of the CFO or the Principal must be sought.
- 8.2.15 Goods and services purchased by the College should be obtained expeditiously and economically. Budget holders shall ensure that purchases are made at the most favourable rate by obtaining estimates on the basis that the acceptance of any estimate other than the lowest is permitted only where better value for money is offered by a competing product or service.
- 8.2.16 The procedures and financial limits for obtaining estimates shall be as stated below. The value thresholds referred to throughout the financial regulations are inclusive of VAT:

For Supplies of Goods and Services	
Value of Purchase Order	Requirements
Up to £10,000	<p>Budget Holder shall use good sense as to the need to obtain competitive quotes from suppliers (preferably 3).</p> <p>These quotations must be retained by the Budget Holder and attached to purchase order to Business World.</p> <p>Orders up to £5k will be checked by the Finance Manager.</p> <p>Orders up to £10k by the HF.</p>

From £10,000 up to £100,000	<p>Unless agreed by the Principal or CFO Three written quotations are required</p> <p>These quotations must be retained by the Budget Holder and attached to purchase order to Business World.</p>
Over £100,000 up to Procurement Act 2023 *	<p>Three written quotations are required and, in all cases, must be approved by the CFO.</p> <p>* Procurement Act 2023 applies for purchases above * £214,904 incl. VAT. Threshold changes 1st January 2026 to £207,720 Please refer to Procurement Act 2023 Procedures</p>

For Works	
Value of Purchase Order	Requirements
Up to £10,000	<p>Budget Holder shall use good sense as to the need to obtain competitive quotes from suppliers.</p> <p>Orders up to £5k will be checked by the Finance Manager.</p> <p>Orders up to £10k by the HoF.</p>
Up to £100,000	<p>Three written quotations are required unless agreed by the Principal or CFO.</p> <p>These quotations must be retained by the Budget Holder and attached to Business World.</p>
£100,001 to £5,372,609 Threshold changes 1 st January 2026 to £5,193,000	<p>A minimum of three competitive tenders shall be obtained unless the Corporation approves that the invitation of tenders be waived.</p> <p>(The tendering procedures are outlined at Appendix C.)</p>
Over £5,372,609 Threshold changes 1 st January 2026 to £5,193,000	<p>Procurement Act 2023 apply. Full compliance with current and future act are mandatory and cannot be avoided using an exemption/waiver process</p>

8.2.17 When applying the above limits, the "value of purchase order" for those orders which relate to the continuous supply of goods or services over several years will be the total value over the period of supply.

- 8.2.18 Where there are goods or services with a single supplier or normal best value practice cannot be followed, a derogation form should be completed to explain the circumstances. This will need to be agreed by the HoF for purchases up to £10,000. Expenditure above this needs the form agreed by the CFO or Principal.
- 8.2.19 For some categories of purchases (e.g. Software licences) where there is only one supplier a derogation form maybe approved for a number of similar purchases on a single form.
- 8.2.20 Purchases from an approved supplier where there is a contract already approved that has previously been through a value for money process do not require a derogation form for each purchase under the contract.
- 8.2.21 Orders or purchases must not be broken down into a series of smaller transactions in order to stay below an authority limit.
- 8.2.22 The CFO shall be responsible for the arrangements for the examination, verification and certification of invoices for payment and for the allocation of expenditure to the relevant budget.
- 8.2.23 All invoices and credit notes shall be authorised on-line by the relevant Budget Holder.
- 8.2.24 All invoices in respect of capital building projects shall be authorised by the College project manager or the CFO.
- 8.2.25 The CFO will be responsible for the payment of all invoices. Payments will not be made against documents other than invoices. Payment will only be made against invoices as follows:
- (a) Subject to paragraph 8.2.8, invoices for which an official order has been raised and the invoice does not exceed the order value.
 - (b) Invoices which have been certified for payment by the appropriate Budget Holder. By certifying an invoice for payment, the Budget Holder is stating:
 - (i) that the goods or services have been received;
 - (ii) that the goods comply with the details on the College's order;
 - (iii) that the goods are of acceptable quality;
 - (iv) that the invoice details (quantity, price, discount) are correct;
 - (v) that the invoice is arithmetically correct;
 - (vi) that the invoice has not previously been passed for payment (i.e. that it is not a duplicate request for payment);
 - (c) Invoices which quote the appropriate cost centre and account code.
- 8.2.26 The CFO will be responsible for ensuring that adequate controls are in place for electronic payments (BACS, CHAPS), for credit cards and that cheques are stored securely and for maintaining a register of used and unused cheques.

8.3 Late Payment of Debts (Interest) Act 1998

8.3.1 The Late Payment of Debts (Interest) Act 1998 (as amended in 2002) was introduced to give small businesses the right to charge interest on late payments from large organisations and public authorities. Key points are:

- small businesses can charge interest on overdue invoices.
- interest is chargeable on sales made after 1 November 1998.
- the rate of interest is currently 8% per annum above the official daily rate of the Bank of England
- the Act also applies to overseas organisations,
- the College can be sued for non-payment.

8.3.2 In view of the penalties in this Act, the Corporation requires that invoices must be passed to the Finance Department for payment as soon as they are received.

8.4 Accounting Arrangements

8.4.1 The College's financial year will run from 1 August until 31 July of the following year.

8.4.2 The financial statements are prepared on the historical cost basis as modified by the revaluation of certain fixed assets and in accordance with applicable accounting standards.

8.4.3 The financial statements are prepared in accordance with the Statement of Recommended Practice (SORP) Accounting for Further and Higher Education, subject to any specific requirements of the regulator, and in accordance with the provisions of the Companies Act.

8.4.4 The coding structure (cost centre, account and project codes) will be provided by the CFO with a view to the preparation of appropriate and efficient management information to all users.

8.4.5 The opening of new account codes or cost centres shall be actioned by finance staff after approval by the CFO or the HoF.

8.5 Salaries, Wages and Severance Payments.

8.5.1 The Principal shall be responsible for the appointment of all staff other than all senior post holders who will be appointed by the Corporation.

8.5.2 DfE approval must be sought for new appointments with proposed remuneration at or above £174,000, or the pro rata equivalent for part-time staff or performance-related pay above £25,000. Approval is required before the post is advertised.

8.5.3 For existing staff, DfE approval must be sought in relation to any adjustment of total remuneration or terms and conditions which takes an individual to, or above, the defined threshold unless the total remuneration and performance related pay are the

same or below what the incumbent receives, or involves an increase of no more than 2% and the previous HMT approval placed no conditions on the incumbent or subsequent recruitments.

- 8.5.4 The Director of People and Culture shall be responsible for the maintenance of all personnel records and for the provision of relevant information to enable all salaries, wages, pensions and other emoluments to be paid.
- 8.5.5 The preparation of payrolls and the payment of salaries, wages and other emoluments to employees of the College shall be undertaken in accordance with arrangements approved by the CFO. All remuneration payments must be made through the College payroll unless an alternative arrangement has been agreed in writing with the Principal.
- 8.5.6 All advances and loans will be authorised by the CFO who will agree the deductions from the employee's pay. These will only be approved in exceptional circumstances and written consent for these deductions will be obtained from the employee before payment of any advance or loan.
- 8.5.7 The CFO is responsible for day-to-day pension administration including:
- (i) paying of contributions to authorised pension schemes; and
 - (ii) preparing the annual returns to the pension scheme.
- 8.5.8 Time records or other pay documents shall be in a form agreed by the CFO and shall be certified by the appropriate line manager and Budget Holder.
- 8.5.9 All College employees shall be paid according to the salary scales approved by the Corporation. This includes the use of spot salaries as required. The Corporation is responsible for the authorisation of any annual pay award which will result in a change to the salary scales.
- 8.5.10 Where remuneration already exceeds £174,000, DfE approval is required for any pay award above 6%, through the Senior Pay Controls application process, before the pay increase is confirmed.
- 8.5.11 Where current remuneration is below £174,000, approval is required when a pay award of over 6% takes it to or above that figure.
- 8.5.12 Approval is not required if a pay increase of up to and including 6% takes the remuneration above £174,000.
- 8.5.13 Staff recruitment must be undertaken in accordance with the Policies and Procedures for Recruitment, Selection and Appointment in force when such recruitment takes place.
- 8.5.14 All offers and letters of appointment, employment contracts, or variations in conditions of service must be issued by the Principal, Director of People and Culture or an approved HR representative. The Director of People and Culture will ensure that there are satisfactory arrangements in place to notify the Payroll Manager of all commencements, variations and terminations.

8.5.15 The engagement of hourly paid and third-party workers must only be undertaken in line with the agreed College procedure.

8.5.16 Severance payments shall only be made in accordance with the relevant legislation. Professional advice should be obtained where necessary. No amounts shall be expended that exceed the budget allocated for the purpose.

All such payments shall be authorised by the Principal and calculations checked by the Director of People and Culture or CFO.

Any individual amounts in excess of £30k require approval by The Corporation.

In exceptional circumstances, this approval may be given by the Chair of the Corporation in consultation with the Principal, to be reported to the next meeting of the Corporation.

Colleges should demonstrate value for money by applying the same scrutiny to a payment under £50k (or under 3 months' salary) as those over these limits and have a justified business case.

Settlements **must** not be accepted unless they satisfy the conditions in the financial handbook.

DfE approval will be required before making any binding offer to staff where the college is considering a staff severance payment including a non-statutory or non-contractual element of £50k or more (gross, before income tax or other deductions), or when the proposed special staff severance payment is equivalent to 3 months' salary or more (gross, before income tax or other deductions).

DfE approval will also be required before making a special staff severance payment where:

- an exit package which includes a special severance payment is at, or above, £100,000; or
- the employee earns over £150,000

8.5.17 All matters referred to a formal employment tribunal shall be notified to Corporation at the earliest opportunity in order that budget provision may be made as necessary. All determinations of tribunals must be similarly notified.

8.6 Expenses

8.6.1 Claims for expenses incurred by staff and Governors of the College in carrying out official duties, shall be paid in accordance with the Expenses Policy in force when the expenses are incurred. All expense claims must be submitted on-line using the Business World (BW) system.

8.6.2 Expense claims shall be authorised by the relevant line manager within BW. No employee may authorise his/her own expenses.

8.6.3 The expense claims of the Principal must be authorised by the CFO or Chair before payment is made. Such expense claims must all be retrospectively authorised by the

Chair of Governors on an annual basis if authorised by the CFO.

8.6.4 Expense claims submitted by Governors must be authorised by the Company Secretary on the delegated authority of the Chair.

8.6.5 Further details on the arrangements for claiming expenses are included in the College's Expenses Policy.

8.6.6 The HoF will carry out a periodic check on a random sample basis of expense claims and a 100% of all claims over £500.

8.7 Overseas Travel

8.7.1 Every proposed overseas visit costing £10,000 or more requires the approval of the Corporation prior to the visit (and prior to any costs associated with the visit being committed). The Corporation will be asked to approve the purpose of the visit and the estimated cost.

8.7.2 The College will not meet any cost relating to the spouse/partner of an employee who accompanies the employee on a business trip.

8.7.3 Further information on overseas travel is included in the College's Expenses Policy.

8.8 Banking and Petty Cash

8.8.1 The Corporation is responsible for the appointment of the College's bankers for the day-to-day banking services upon the recommendation of the CFO. The appointment may be for a specified period after which consideration shall be given by the Corporation to competitively tendering the service.

8.8.2 The CFO is permitted to make banking arrangements and open bank accounts for treasury management purposes, provided that such accounts comply with the Treasury Management policy in force at the time when the account is opened.

8.8.3 All arrangements with the College's bankers concerning the bank accounts and the control and issue of cheques, shall be made by the CFO. No other College bank accounts shall be permitted.

8.8.4 All cheques drawn on behalf of the College shall be signed in accordance with Appendix B of the regulations. Any changes in authorised signatories shall be approved by the Principal and notified to the Corporation at the first available opportunity.

8.8.5 Petty cash floats shall be operated in accordance with the float's procedures approved by the HoF. Petty cash is only used in exceptional circumstances the preferred option is to use precision pay. Petty cash holders shall be responsible for the safe custody of the float.

8.8.6 Any payments from petty cash, which shall not exceed £50 (unless approved by the CFO, HoF, or nominee), must be supported by appropriate vouchers and records which shall be available for inspection at any time. Payments must not be broken down into a smaller series of transactions where the intention is to stay below the £50 threshold as to do so would be a deliberate and serious breach of these regulations, which will result

in disciplinary action under the Disciplinary Policy.

- 8.8.7 The HoF will be responsible for ensuring that all cash is handled in line with the Colleges Cash Handling Procedure and that appropriate levels of checks and balances are in place to safeguard against any loss to the College.
- 8.8.8 The CFO is responsible for ensuring that all bank accounts are subject to regular reconciliation and that large or unusual items are investigated as appropriate.
- 8.8.9 Where appropriate, the CFO or HoF may approve the issuing of college credit cards to nominated staff. Such credit cards shall be used for the payment of valid business expenses only, and the misuse of such cards shall be grounds for disciplinary action. Balances on credit cards must be cleared before interest accrues. The CFO will be responsible for setting in place a system to control and monitor the use of college credit cards and account for expenses charged through them.
- 8.8.10 The CFO or HoF may also approve the use of Procurement Cards and Precision Pay that allows the use of one-off credit card style payments to be made to make on-line purchases and settle one-off invoices. The control of these cards is laid out in a separate procedure that must be adhered to by the delegated budget holders. A breach of that procedure would constitute a breach of these financial regulations.

8.9 Assets and Property

- 8.9.1 Budget Holders shall be responsible for the care and custody of all College assets within their area.
- 8.9.2 The disposal of fixed assets or surplus materials shall be authorised as specified in Appendix A of these regulations. Except when the college transfers any assets to another charity with the same or similar purposes, it must achieve the best price that can reasonably be obtained, while maintaining the principles of regularity, propriety and value for money.
- 8.9.3 Consideration must be given if the assets concerned may have been acquired with the assistance of a grant or donation from a third party, including (but not limited to) the DfE and whether the conditions of any such grant or donation set terms relating to disposal or the proceeds of disposal, or when an overage arrangement is in place whether disposal of such assets is consistent with its asset management policy and that there are plans in place to ensure that: investment in moveable fixed assets is sufficient to ensure the ongoing ability of the college to deliver appropriate provision for learners is not depleted moveable fixed assets can be replaced.
- 8.9.4 In the case of land and buildings, the college must consider the Charity Commission's "Guidance on Sales, leases, transfers or mortgages: what trustees need to know about disposing of charity land (CC28)".

The college must have in place an estates strategy that underpins the long-term sustainability of the operation. iii

In the case of land and buildings (whether freehold or leasehold), the proceeds of disposal must be used for capital reinvestment in further fixed assets or to:

- repay loans, to DfE and to banks

- repay any overpayments of DfE grants, or satisfy grant conditions where a repayment to DfE is due (for example overage)
- exceptionally, provide working capital for colleges to avoid the risk of insolvency

8.9.5 If the college wishes to use the proceeds from a disposal of land and buildings for the purposes of avoiding insolvency it must first seek the approval of DfE and in accordance with the "framework for College oversight: support and intervention" colleges should engage with DfE at the earliest practical opportunity to consider available options.

iv

8.9.6 Budget Holders shall maintain appropriate procedures for the receipt, safe custody, issue and disposal of all goods.

8.9.7 The CFO must be provided with copies of all contracts, leases, deeds, agreements and similar legal documents.

8.9.8 All contracts including terms and conditions of service must be uploaded on to the College's contract management system.

8.9.9 Assets purchased by the College shall, so far as practicable, be effectively marked to identify them as College property.

8.9.10 Lessees and/or other prospective occupiers of College land or property shall not be allowed to take possession or enter the land or property until a lease or agreement, in a form approved by the College Solicitors, has been approved by the Corporation or Company Secretary

8.9.11 The Principal is responsible for ensuring the proper security of all buildings and other assets.

8.9.12 No College assets shall be subject to personal use by an employee without the authority of the Principal.

8.9.13 The CFO shall determine arrangements for establishing and maintaining Fixed Asset Registers.

8.9.14 The College's accounting policies in relation to capitalisation and depreciation are set out in Appendix E and the Fixed Asset Policy.

8.9.15 Capital procurement must comply with any funders requirements, these regulations, and the Procurement Policy and Procedures (which are available to all staff).

8.9.16 Budget Holders are responsible for establishing adequate arrangements for the custody and control of stocks and stores within their area. The systems used for stores accounting must have the approval of the CFO.

8.9.17 Budget Holders are responsible for ensuring that regular inspections and stock checks are carried out.

8.9.18 Those Budget Holders whose stocks require valuation in the balance sheet must ensure that the stock-taking procedures in place have the approval of the CFO and that instructions are issued to appropriate staff within their area.

8.10 Tuition Fees Policy

8.10.1 The CFO is responsible for reviewing the College policy for tuition fees and other charges. This is undertaken on an annual basis and must reflect current government funding policy and relevant legislation.

8.10.2 The review is undertaken in consultation with the Principal and other senior staff. The College's policy for tuition fees and other charges is to be approved by the SLT and the Corporation prior to the commencement of each financial year.

8.11 Loans, Leasing and Hire Purchase

8.11.1 Purchases involving finance lease, operating lease or hire purchase agreements shall be authorised as specified in Appendix A of the regulations. The College must ensure any lease maintains the principals of regularity, propriety and value for money.

8.11.2 After the daily aggregation of all balances in the accounts of the College's approved Banks (Barclays and HSBC), any transfer of amounts between these accounts will be the responsibility of the CFO.

8.11.3 Any other surplus monies shall be invested in accordance with the Treasury Management Policy approved by the Corporation from time to time in an account in the name of the College and shall be confirmed in writing by the institution with which the deposit is made.

8.11.4 The CFO shall be responsible for maintaining appropriate records of all deposits/investments. A college may invest to generate further income provided this is in the best interests of the college. DfE has provided further information on investing for colleges in FE and sixth form college corporate governance guide.

8.12 Financial Records

8.12.1 The CFO will advise on the format and content of financial records to be maintained by the college and the period of time that they need to be retained.

8.12.2 The CFO shall ensure that all financial records are kept securely for six years plus the current year. Payroll records are to be kept for seven years plus the current year. Records for ESF funded projects will normally need to be retained for ten years. Departments with lead responsibility for these projects are required to maintain financial and other records in accordance with ESF requirements.

8.12.3 In the event that an education/training or other business activity is ceasing, the Director/Head of the department in which that activity is based must agree a schedule of key records and arrangements for the transfer and safe storage of those records with the CFO.

9. Major Developments

9.1 Any new aspect of business, or proposed establishment of a joint company or joint venture, which will require an investment in buildings, resources or staff time of more than £250k should be presented to the Corporation.

9.2 The CFO will establish protocols for these major developments to enable them to be considered for approval by the Corporation. These will set out the information that is required for each proposed development as well as the financial criteria that they are

required to meet. This will include the funding of revenue commitments associated with projects.

- 9.3 Approval of the Corporation is required where it is proposed that the College should establish a subsidiary company. In such cases the Corporation must be provided with business plans or budgets in order to establish the risk to the College.

10. Treasury Management Policy

- 10.1 The Corporation is responsible for approving a Treasury Management Policy statement setting out a strategy and policies for cash management, long-term investments and borrowings. The Corporation also has a responsibility to ensure implementation, monitoring and review of such policies.
- 10.2 DfE consent must be obtained for any new borrowing from the private sector or amendments to existing borrowing from the private sector. All executive decisions concerning borrowing, investment or financing (within policy parameters) shall be delegated by the Corporation to the CFO and an appropriate reporting system established. All borrowing shall be undertaken in the name of the institution and shall conform to any relevant funding body requirements.
- 10.3 The CFO will report on the activities of the treasury management operation and on the exercise of treasury management powers delegated to him or her.
- 10.4 An annual treasury management plan is prepared by the CFO and is presented to the Corporation for approval.

11. Insurances

- 11.1 The HoF is responsible for annually reviewing and advising the Principal and CFO on the insurance cover arrangements for the College. Such insurance cover must be adequate in view of all business risks and contractual obligations, including that required by its accountability agreement with DfE.
- 11.2 The Director of Estates in consultation with the HoF and CFO shall be responsible for effecting such insurance cover in the name of the College as may be necessary to safeguard the College against loss and shall keep a register of all insurances effected by the College and the property and risks covered thereby.
- 11.3 The CFO shall report all insurance arrangements and notify any major claim to the Corporation.
- 11.4 Budget Holders shall inform the HoF promptly of any event which may involve the College in a claim, or an intended activity or acquisition of an asset in their area which may involve the College in a risk not already covered by insurance or necessitate an extension of the amount of the insurance cover.
- 11.5 The HoF (including the duly appointed insurance broker) shall negotiate all claims made against or by the College and shall consult the College Solicitors where necessary.
- 11.6 All staff using their own vehicles on behalf of the College shall maintain appropriate insurance cover for business use.

12. Contracts and Agreements

- 12.1 All contracts for the purchase of works, goods and services entered into on behalf of the College will be signed by an authorised signatory in accordance with Appendix A of these regulations.
- 12.2 Contracts for the employment of staff other than the holders of senior posts will be authorised and signed by the Principal or their delegated nominee. Contracts for the employment of the Principal and the holders of senior posts will be authorised and signed by the Chair of the Corporation or their nominee.
- 12.3 Some government funded programmes are commissioned through a negotiated or competitive process and funding contracts are signed by the Principal on behalf of the College. Where the College supplies goods and services to other organisations, including training and allied services, research, consultancy and premises hire, contracts will be signed by an authorised signatory in accordance with Appendix A of these regulations.
- 12.4 Contracts for the acquisition, disposal or leasing of land and property will be authorised as specified in Appendix A of these regulations.
- 12.5 All proposed agreements for the leasing of plant or equipment, or services require approval of the CFO who shall report thereon to the Principal if they consider the financial effect of the agreement would be significant.
- 12.6 The Company Secretary is responsible for the safekeeping of official and legal documents relating to the College. Signed copies of deeds, leases, agreements and contracts must, therefore, be forwarded to the Company Secretary. All such documents shall be held in an appropriately secure location.

13. Audit

- 13.1 The college must establish an audit committee, appointed by the Corporation, to provide independent assurance to the Corporation that its financial and non-financial controls operate effectively. The audit committee must do the following:
 - Oversee the internal control environment
 - Oversee the external audit
 - Oversee counter fraud measures
- 13.2 The internal audit process will be determined annually by the Audit Committee on behalf of the Corporation.
- 13.3 The external audit of the College's annual accounts will be provided by a firm with relevant experience and expertise appointed by the College. The College should retender the external audit contract at least every five years.
- 13.4 Auditors appointed shall have the following rights to:
 - access to all records, documentation and assets which they consider necessary to fulfil their duties'
 - access to College premises at all reasonable times'
 - require such explanations as are necessary concerning any matter under consideration'

- require any employee of the College to account for cash, stores or other College property under their control, and
 - access to College records held by third parties when required.
- 13.5 The above provisions cover both internal and external audit, together with any other auditors such as the DfE appointed funding auditors, National Audit Office, European Court of Auditors, HM Revenue & Customs.

14. Financial Procedures

- 14.1 The HoF has the responsibility for maintaining and updating Financial Systems and Procedures which shall be available to all staff to ensure the efficient and effective financial management of the College.

15. Security and Computer Security

- 15.1 The Principal will be responsible for maintaining the security of all College assets, cash and property.
- 15.2 The College must comply with the requirements of the Data Protection Act 2018 insofar as it applies to information stored within the premises for which the College is responsible.
- 15.3 The HoF will ensure that all numbered or 'valuable' stationery, such as cheques, invoices, paying-in books, purchase orders, receipt books, etc, are securely stored.
- 15.4 The Principal shall be responsible for ensuring that disaster recovery plans are periodically reviewed and are feasible.
- 15.5 The College must not pay any cyber ransom demands.
- 15.6 The CFO shall be responsible for ensuring that computer and data security rules and procedures are adequate and in particular:
- (a) Access to computer databases shall be limited to authorised users.
 - (b) User access and privileges shall be periodically reviewed.
 - (c) All new users must have authorisation from their line manager.
 - (d) Manager access shall be restricted by use of passwords.
 - (e) Only authorised software may be used on the College computer system.
 - (f) Software or data may not be transferred by data storage device or any other method from the College without prior permission. Staff using their own computers should be aware of viruses and ensure virus check software is in place before using any data storage device, which has previously been used on their own, or other non-College equipment.

16. Fraud Avoidance Policy

- 16.1 The College requires all staff at all times to act honestly and with integrity to safeguard

the public resources for which the Corporation is responsible. Fraud is an ever-present threat to resources. All members of College staff must therefore remain alert to the risk that fraud or other irregularity could occur in their area of responsibility.

- 16.2 The Audit Committee is responsible for approving the College's Fraud Avoidance Policy. An annual review of areas susceptible to fraud is prepared by the Senior Leadership Team and presented to the Audit Committee. All instances of fraud must be reported to the Audit Committee annually, if the fraud is significant and involves a loss of more than £5,000 or is likely to cause the College reputational damage then the issue should be raised with the Chair of Audit Committee as soon as possible.
- 16.3 The Fraud Response Plan can be obtained directly from the CFO. Where fraud is identified, the college must inform the chair of the audit committee, external auditors and internal auditors (if applicable) as soon as practically possible. The DfE, and any other relevant college funder, must also be informed as soon as possible when the fraud, or suspected fraud, is significant. Please contact DfE via the 'allegations' mailbox at: allegations.mailbox@education.gov.uk.

17. Receiving Gifts and Hospitality

- 17.1 It is an offence under the Prevention of Corruption Act 1906 for members of staff to accept corruptly any gift or consideration as an inducement or reward for doing, or refraining from doing, anything in an official capacity or showing favour or disfavour to any person in an official capacity. The guiding principles to be followed by all members of staff must be:
- the conduct of individuals should not create suspicion of any conflict between their official duty and their private interest, and
 - the action of individuals acting in an official capacity should not give the impression (to any member of the public, to any organisation with whom they deal or to their colleagues) that they have been (or may have been) influenced by a benefit to show favour or disfavour to any person or organisation.
- 17.2 Thus, members of staff should not accept any gifts, rewards or hospitality (or have them given to members of their families) from any organisation or individual with whom they have contact in the course of their work that would cause them to reach a position whereby they might be, or might be deemed by others to have been, influenced in making a business, or educational decision as a consequence of accepting such hospitality. The frequency and scale of hospitality accepted should not be significantly greater than the College would be likely to provide in return.
- 17.3 When it is not easy to decide between what is and what is not acceptable in terms of gifts or hospitality, the offer should be declined, or advice sought from the relevant head of department or the CFO. For the protection of those involved, the Company Secretary will maintain a register of gifts and hospitality received where the value is in excess of £25. Members of staff in receipt of such gifts or hospitality are obliged to notify the Company Secretary. The College Gifts and Hospitality Register is presented to the Audit Committee annually.
- 17.4 When making any such gifts, the college must ensure the value is modest, is within its financial regulations and scheme of financial delegation, the decision is documented,

and achieves propriety and regularity in the use of public funds.

- 17.5 If the college is contemplating making a gift to a member of staff, then it should consider potential tax implications.
- 17.6 If a college intends to make a gift to a governor, it must comply with the guidance set out at paragraph 5.8 of the Charity Commission publication Trustee expenses and payments (CC11).

18. Taxation

18.1 Value Added Tax (VAT)

The College is registered for VAT and must submit VAT returns to HM Revenue & Customs as required. Through the HoF, the CFO shall maintain the VAT records for the College and shall be responsible for submitting VAT returns and for making all VAT payments or receiving any VAT credits as appropriate.

18.2 Corporation Tax

The College has charitable status and, therefore, will generally not be liable for Corporation Tax on the activities that it undertakes. However, liabilities for Corporation Tax may arise from the activities of any College subsidiary companies that may exist from time to time. The CFO will be responsible for ensuring that any liabilities arising are identified and reported accurately to the Inland Revenue.

19. Learner Support Funds

- 19.1 The HoF will prescribe the format for recording the use of student access funds on the finance system.
- 19.2 Records of learner support (bursary) funds will be maintained according to DfE, WMCA and OFS requirements. Responsibilities for administering access funds within the College are clearly defined. Annual returns are provided to DfE, WMCA and OFS.

20. Student Loans and Students Union

- 20.1 Appropriate records will be maintained to support all transactions involving student loans. This includes both HE loans for Higher Education courses and Advanced Learning loans for Further Education courses.
- 20.2 The Students' Union is a separate legal entity from the College but is recognised to fulfil a valuable role in relation to the College's students.
- 20.3 In accordance with an agreement between the College and the Students' Union, the Union will provide annual statements of income and expenditure to HoF for information purposes only. The College's internal auditor shall have access to records, assets and personnel within the Students' Union in the same way as other areas of the College.

21. Patents and Intellectual Property Rights

- 21.1 Certain activities undertaken within the College including research and consultancy may give rise to ideas, designs and inventions, which may be patentable. These are collectively known as intellectual property. As specified in the College's standard

contracts of employment, all intellectual property belongs to the College.

- 21.2 In the event of the College deciding to become involved in the commercial exploitation of inventions and research, the matter should then proceed in accordance with the intellectual property procedures issued by the College.

22. Money Laundering and Proceeds of Crime

- 22.1 The Proceeds of Crime Act 2002 criminalises money laundering and the Anti-Money Laundering (Amendment) Regulations of 2019 which came into force on 24 May 2019, place obligations on those involved in 'relevant businesses' to establish procedures to reduce the likelihood of financial irregularity.
- 22.2 The college is likely to be regarded as a 'relevant business' and the CFO is responsible for ensuring compliance with Proceeds of Crime and Money Laundering Regulations. The CFO is also the 'Nominated Officer' for the purposes of the Money Laundering Regulations 2019.
- 22.3 If staff have concerns regarding any financial transaction, they should contact the HoF for advice. Where possible this should be done before the transaction takes place. In accordance with Money Laundering Regulations, the employee may be required to prepare a suspicious activity report (SAR) for the CFO.

23. Bribery

- 23.1 The Bribery Act 2010 (The Act) makes bribery or attempted bribery a criminal offence. Bribery usually takes place in order to secure or retain business, or in order to gain a financial or business advantage. Bribery does not always involve a financial incentive or advantage.
- 23.2 In order to be found guilty of an offence under The Act, bribery does not actually need to take place as offences under the act include, but are not limited to the following:
- Offering, promising, or giving a bribe, and
 - Requesting, agreeing to receive, or accepting a bribe.
- 23.3 These offences apply regardless of whether they take place in the UK or abroad. Extra care must be exercised in non-UK jurisdictions where custom and practice may actually be an offence under The Act. These offences also apply to agents or other third parties acting on behalf of the College, even if the College (or its employees) did not know that bribery had taken place.
- 23.4 The College and its employees (or any other 3rd party acting on behalf of the College) must not offer promise or give any financial or other advantage in order to secure or retain business. In addition, the College and its employees must not request, agree to receive, or accept any financial or other advantage from a third party which may be construed to be a bribe.
- 23.5 Any breach of the above by an employee of the College is likely to be regarded as gross misconduct, which may lead to the employee being dismissed without notice or payment in lieu of notice.

24. Whistleblowing

- 24.1 The Public Interest Disclosure Act 1998 ("PIDA") as amended by the Enterprise and

Regulatory Reform Act 2013 protects a member of staff against detriment or dismissal for raising concerns about potential breaches of the law or other wrongdoing where these are matters of public interest (“Whistleblowing”).

- 24.2 Birmingham Metropolitan College is committed to the highest standards of integrity and honesty in conducting its business and to this end encourages staff members to raise genuine concerns about breaches of the law and other potential wrongdoings (“Malpractice”) without fear of repercussions.
- 24.3 The College has a Whistleblowing Policy that is available on the College intranet. The Act and that policy apply to all staff including agency workers, temporary employees and contractors.
- 24.4 The board must ensure all concerns raised by whistleblowers are responded to properly and fairly.

25. Partnership Arrangements

- 25.1 College policy is that, generally, it will enter into subcontract arrangements where it is strategically important to do so for the provision of education and training in respect of its direct funding contracts with the DfE or WMCA.
- 25.2 Some programmes involve partnership delivery (or consortium) arrangements. In such cases the College will either be the lead organisation (contract holder) or will be a delivery partner in a consortium where another organisation is the lead party.
- 25.3 In such circumstances, and where the lead provider is a private company, the College is required to undertake a due diligence review before entering into a contractual commitment. This will also apply where it is proposed that any other publicly funded training is to be delivered by a private provider on behalf of the College. The extent of the due diligence required will be agreed with the CFO.
- 25.4 Where partnership arrangements such as those outlined above are in place, a contract defining respective roles and responsibilities is required. A signed contract must be in place before any delivery takes place and before payment can be made. The main items to be included in the contract between the College and the subcontractor are included in the sub-contracting controls required by the funding bodies whose requirements change from time to time. There should also be proper monitoring and assurance of delivery.

26. Other Income-Generating Activity

26.1 *Private consultancies and other paid work*

Unless otherwise stated in a member of staff’s contract:

- outside consultancies or other paid work may not be accepted without the consent of the head of department (and in the case of the head of the department, the Principal).
- applications for permission to undertake work as a purely private activity must be submitted to the head of department or Principal, as appropriate, and include the following information:

- the name of the member(s) of staff concerned,
- the title of the project and a brief description of the work involved,
- the proposed start date and duration of the work,
- full details of any College resources required (for the calculation of the full economic cost), and
- an undertaking that the work will not interfere with the teaching and normal College duties of the member(s) of staff concerned.

26.2 Off-site collaborative provision (franchising/sub-contracting)

Any contract or arrangement whereby the College provides education to students away from College premises, or with the assistance of persons other than the College's own staff or with independent contractors (partner organisations), must be subject to the following procedure.

- There shall be a contract signed by the Principal and on behalf of any partner organisation that shall comply at least with the funding body model contract (as amended from time to time) in place before any provision is made.
- Contracts for significant changes in franchising or sub- contracting activity shall be approved in advance by the Corporation.
- The form of the contract shall be scrutinised in advance of its operation by the audit committee and approved by the Company Secretary.
- The impact of the contract(s) shall be subject to scrutiny by the Corporation. The format for regular reports shall be as stated in funding body guidance.
- They shall consider the risk factors associated with the proposed partnership and agree an appropriate entry in the College's financial forecast.
- Where the partnership would represent a significant departure from the College's strategic plan, the Corporation shall approve the departure, and the Principal shall seek the views of and inform the funding body.

26.3 Other matched funding

- Any such project requires the approval of the appropriate officer prior to any commitment being entered into.
- Such approval shall be dependent upon the relevant head of department being able to demonstrate that eligible matching funds are available and that the project is financially viable by the application of the College's costing and pricing policy.
- The VP for Business Development is responsible for submitting bids for funding,

subject to approval by the Principal and the Corporation where appropriate; and where successful, for submitting income claims.

- Individual applications for funds in excess of £500,000 shall be the subject of a report by the Principal to the Corporation which will set out, amongst other things, the potential risks generated by the project.
- If the College sub-contracts such work to external providers, the relevant head of department shall ensure that:
 - this is on the basis of a written contract which allows for full audit access to detailed records;
 - appropriate monitoring procedures are in place to ensure that the outputs are achieved and the provision of suitable quality, and;
 - payments are only made against detailed invoices.

26.4 Submitting claims for successful bids

- Any claims made against bids or contracts held by a funding body or other party will require authorisation to confirm the college has delivered in line with the contracts and is fully compliant with its requirements.
- Claims require authorisation for the following levels (as required on the contract approval sheet)
 - Under £10,000 – authorisation by the contract manager.
 - From £10,000 to £50,000 – authorisation by the senior manager.
 - Over £50,000 – an independent check in addition to the above will be conducted by the CFO and or the HoF.

26.5 Profitability and recovery of overheads

All other income-generating activities must be self-financing or surplus-generating unless it is intended that a new course is to be launched as a loss leader.

If that is the case, the reason for it must be specified and agreed by the head of department and the HoF.

Other income-generating activities organised by members of staff must be costed and agreed with the HoF before any commitments are made.

Provision must be made for charging both direct and indirect costs in accordance with the College's costing and pricing policy, in particular for the recovery of overheads.

26.6 Deficits

Any unplanned deficits incurred on other income-generating activities will be charged to departmental funds.

26.7 *Additional contributions to departments*

Distribution of profits on other income-generating activity between central funds of the College and individual departments will be in accordance with the policy approved by the Corporation.

27. *College Seal*

- 27.1** Although there is no requirement under the Further and Higher Education Act 1992 for any document to be sealed by the Corporation, under general law any document executed by the Corporation as a deed should be under seal e.g. a transfer of property by the Corporation.
- 27.2** Where a deed or document requires the College seal it must be sealed by the Company Secretary, or in their absence the Principal or CFO.
- 27.3** The Company Secretary is responsible for submitting a report to the Corporation detailing the use of the College seal.

28. *Related Party Transactions*

- 28.1** College policy is that Governors are not remunerated for their work as a Governor, but Governors may be reimbursed for incidental expenses incurred in carrying out such duties. Such incidental expenses may include travel costs to an externally hosted event attended on behalf of the College.
- 28.2** Owing to the nature of the College's operations and the composition of the board of Governors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the board of governors may have an interest. All transactions involving such organisations must be conducted at arm's length and in accordance with the College's financial normal procurement procedures.

Appendix A – Authority Limits

Delegated authorities are currently as follows: -

1. Budget Variations

Major Capital Projects

For major capital projects the Corporation will be required to approve any changes to the overall project budget.

In urgent cases the Chair of the Corporation and the Principal jointly have power to act on behalf of the Corporation. Such action will be reported to the Corporation at the earliest opportunity.

In order to control the overall project spend, movements between individual budget lines to reflect changes to project costs may be authorised by the Principal or CFO.

Annual Re-Modelling, Other Building Works and IT Projects

For annual re-modelling, other minor building projects and IT projects, there may be a requirement to authorise extras, contract variations, or other necessary amendments to the approved projects.

The Principal or CFO may authorise any resulting increase of up to £50k.

In urgent cases requiring approval of the Corporation the Chair of the Corporation and the Principal jointly have power to act on behalf of the Corporation. Such action will be reported to the Corporation at the earliest opportunity.

Income & Expenditure

Income and expenditure budget variations (virements) must not reduce the budget operating surplus.

The Principal or CFO may approve virements between budget heads of up to 5% of the College's overall budgeted expenditure.

Virements above 5% require Corporation approval.

2. Authorisation of Contracts and Orders

When applying the limits referred to below, the "value" for those orders/contracts, which relate to the continuous supply of goods or services over several years, will be the total value over the period of supply.

Value	Authorisation
Up to £50,000	HoF or Budget Holder (Relevant Director)

Up to £100,000	Vice Principals
Up to £500,000	Principal, or CFO
Over £500,000	Corporation *

* Following authorisation of the transaction or project by the Corporation, signing contracts and orders is delegated to the Principal or the CFO.

3. Leasing and Hire Purchase Commitments

When applying the limits referred to below, the "equivalent purchase price" will be the total value of the lease/hire purchase payments over the period of the agreement (or until the first break clause for property leases).

Equivalent Purchase Price	Authorisation
Up to £50,000	HoF or Budget Holder (Relevant Director)
Up to £100,000	Vice Principals
Up to £500,000	Principal, or CFO
Over £500,000	Corporation *

* Following authorisation of the transaction by the Corporation, signing leasing and hire purchase agreements is delegated to the Principal or CFO.

4. Disposal of Assets

Value of Disposal / NBV	Authorisation
Up to £250	Finance Manager
Up to £7,500	HoF
Up to £12,500	CFO
Up to £50,000	Principal

Over £50,000	Corporation *
--------------	---------------

Authority shall not be required for disposal of each computer which is replaced as part of the annual renewal programme.

* Following authorisation of the transaction by the Corporation, signing contracts for disposal of assets is delegated to the Principal or CFO.

5. Contracts for the Supply of Goods or Services by or to the College

Contract Value per annum	Authorisation
Up to £50,000	HoF, Budget Holder and relevant Director
Up to £100,000	Vice Principals
Up to £500,000	Principal, or CFO
Over £500,000	Corporation *

* Following authorisation of the transaction by the Corporation signing contracts for the supply of Goods and Services by the College is delegated to the Principal or the CFO.

** The Company Secretary and Deputy Principal may sign any contract that has been authorised in accordance with Appendix A.

Appendix B

Authorised Cheque Signatories and Authorisation of Electronic Payments

Arrangements for bank payments will be as follows:

(i) Cheque Signatories

All cheque payments require two bank signatories.

The posts permitted to be on the bank mandate for the purpose of authorising cheque payments are as agreed by the Corporation when approving changes to the bank mandate.

(ii) Electronic Payments (BACS)

The proposed payment run is prepared by a member of the finance team and reviewed by the HoF. The review includes checking proposed payments above £5k to invoices. The proposed payment run is then passed to the CFO or senior post holders for final checking and authorisation as appropriate.

(iii) Electronic Payments (CHAPS/Faster Payments)

These are urgent payments which are processed outside of the normal creditor payment run. Every effort should be made to ensure that the volume of such payments are kept to a minimum. All such payments must be authorised by a member of the finance team and a bank signatory identified in (i) above.

(iv) Electronic Payroll Payments

These include Net Pay, PAYE, National Insurance and Pension contributions. All such payments must be authorised by the Payroll Manager (or nominee in their absence) and the CFO or HoF, or senior post holders.

Arrangements for the use of electronic banking systems including the allocation of Smart Cards will be determined by the CFO.

Appendix C – Tendering Procedures

Tendering Procedures*

1. Invitations to tender must be accompanied by comprehensive and clearly written specifications, which shall include:
 - 1.1 the nature and purposes and, where applicable, the duration of the contract;
 - 1.2 quality and best economic value requirements;
 - 1.3 the specification and quantities of the goods or services to be supplied and any other requirements (except in the case of "design and build" contracts where only an outline specification need be supplied);
 - 1.4 the time(s) or range of time(s), as appropriate, and place(s) at which the goods or services are to be supplied;
 - 1.5 a copy of the conditions of contract with which the successful contractor will be required to comply;
 - 1.6 a copy of any formal contract or sub-contract document which the successful contractor will be required to sign or execute;
 - 1.7 a returnable tender form which indicates:
 - (a) the tenderer's signature or seal;
 - (b) that the tender form is to be returned to the Principal or nominee by a stated date and time;
 - (c) that the College does not bind itself to accept or nominate the lowest, or any, tender;
2. Tenders should be submitted electronically through a procurement portal (Elcom). This will automatically advertise all opportunities either through Contracts finder for below threshold or Find a Tender for above threshold.
3. Tenders should be opened by the CFO or his/her nominee in the presence of another member of staff representing the department (the head of department/director or nominee).
4. The prices quoted in the tender should be recorded immediately by Budget holder leading the tender process containing the name of the project or item together with the list of those invited to tender. These retained in line with normal retention policy and help electronically. The price should be recorded opposite the name of the appropriate tenderer. If a reply is not received this should be indicated. On completion of the tender opening, both members of staff should sign and date the tender book. A note shall be made of the number of tenders, if any, not opened and the reason(s) for not opening them.
5. No tender received after the time and date by which it is to be received or which contravenes any provision of this Schedule shall be considered.
6. Where, in their view, circumstances so warrant, the CFO in consultation with the Principal, may postpone for such period as they may consider reasonable the time and date by which the tenders concerned shall be received.

Acceptance of Tender

7. Having followed the procedures required by the financial regulations, as outlined above, departments are then required to evaluate the tenders and recommend to the Principal to:
 - (a) accept the lowest tender; or
 - (b) accept a tender other than the lowest (this may only be justified by reference to the 'comprehensive and clearly written specifications' referred to in paragraph (1) The most advantageous tender (MAT); or
 - (c) refuse to accept any tender.
8. The outcome of the tender evaluation should be noted in the tender book by the department who commissioned the tenders. Where the outcome is the acceptance of a tender other than the lowest, the reason should also be recorded in the tender book.
 - Online or electronic tenders should follow the principles of the process outlined above although this may not be possible within the constraints of the system being used.
 - Wherever possible the College should undertake tenders through the relevant approved procurement consortia that relates to the services/goods being purchased.

Appendix D – Approval Authority for the Control of Debts

Debts may be written off in accordance with the limits specified below. The limits refer to individual debtor's accounts rather than batch totals.

Debtor Value Written Off	Authorisation
Up to £750	Finance Manager
Up to £7,500	HoF
Up to £25,000	CFO
Up to £45,000	Principal
Over £45,000	Corporation

Appendix E – Fixed Asset Capitalisation and Depreciation

The College thresholds for the capitalisation of expenditure are stated below.

Asset Type	Capitalisation Threshold
Building Works * (new build or improvements)	£10,000
Computer Equipment **	£5,000
Other Equipment	£5,000
Furniture, Fixtures and Fittings	£5,000

* The summer building works programme may consist of a number of projects below this threshold, but College policy is to capitalise in accordance with the total value of the summer building works, taking into account whether the works represent an improvement or whether the works are maintenance in nature and therefore would not be capitalised.

** Computer equipment purchased for less than £5,000 may be capitalised where it is purchased as part of the annual computer refresh. In such cases the total value of the refresh will be capitalised although the individual unit price may be lower than £5,000.

The CFO may authorise a departure from the above where this would ensure consistency with historical accounting treatment.

The College fixed asset depreciation policy is stated below.

Asset Type	Depreciation Policy
Building Works (new build)	Across the life of the lease
Building Works (improvements)	15 Years
Computer Equipment	5 Years
Smartboards	5 years
Office Equipment	5 Years
Furniture, Fixtures and Fittings	5 Years

Appendix F – Corporate Governance Documents

In addition to the Financial Regulations, there are a number of documents that contribute to the College's corporate governance framework. These are as follows:

1. Instruments and Articles of Government
2. Terms of Reference of the Corporation and Sub Committees
3. Risk Management Policy
4. Public Interest Disclosure ('whistleblowing') Policy
5. Code of Conduct
6. Financial Memorandum
7. Framework and Guide for External Auditors and Reporting Accountants for Colleges
8. Managing Public Money rules
9. College Financial Handbook 2025
10. Further Education Code of Good Governance

The documents numbered two to four above will be reviewed annually and presented to the Corporation for approval. The documents numbered 6 and 7 ('Financial Memorandum' and 'Framework and Guide for External Auditors and Reporting Accountants for Colleges') are issued by the DfE, the latest versions of which may be obtained from the Company Secretary or CFO.

Appendix G: Fraud Response Plan

The Fraud Response Plan can be obtained from the CFO on an as needs basis.

Appendix H – Definitions

The following definitions will apply in these Regulations:

‘CFO’ means the Chief Finance Officer of the College, who must be a qualified accountant, and includes their authorised representative or replacement.

‘College’ - means BMet College.

‘College Employee’ - means a person with a contract of employment with the College.

‘Chair’ - means the Chair of the Corporation and includes their authorised representative or replacement.

‘Corporation’ - means the Governing Body of the College, or where the Governing Body has delegated the responsibility (where allowed for in the Instrument and Articles) to, for example, the Chair.

‘DfE – means the Department of Education.

‘HoF’ means the Head of Finance of the College, who must be a qualified accountant, and includes their authorised representative or replacement.

‘OFS’ – means the Office for Students.

‘Principal’ - means the Principal and Chief Executive of the College and includes their authorised representative or replacement.

‘Staff’ – means all salaried employees and hourly paid associates.

‘WMCA’ – means the West Midlands Combined Authority.

ⁱ In discharging this responsibility, the Board may refer to the Further Education Commissioner’s College management accounts good practice guide, which sets out key principles of good practice to support the sector to improve the quality, consistency and effectiveness of in-year reporting of financial performance.

ⁱⁱ Governors have a duty as charity trustees to ensure good financial management of their college; this duty is all the more important in the event that a college encounters financial difficulty that could result in insolvency. Colleges should not rely solely on DfE’s financial health assessment, or other review ratings to give an indication of solvency. These will be based on either historical data, which may not reflect the college’s current financial performance and position, or on forecasts, as an indicator.

ⁱⁱⁱ However, given that sale of land and buildings can be particularly protracted, colleges should seek permission to use the proceeds in this way in good time and well in advance of the disposal itself.
