Latest Apprenticeships

March 2019

BMet are one of the largest providers of apprenticeships in the Midlands. Apprenticeships are an opportunity to earn a wage and gain a recognised qualification.

To start a BMet apprenticeship, you'll need to [complete an online application](#) on our website for the job you want. From there, BMet will invite you to attend an interview with our College Curriculum team who can confirm that you are eligible for the apprenticeship.

Entry requirements vary. A minimum of five GCSEs including grades A-D in English and Maths (or equivalent level qualifications) is a usual benchmark of what is required. If you need support to gain English and Maths qualifications, call JobSkills@BMet on 0121 362 1174.

Please visit - www.bmet.ac.uk/courses/apprenticeships/apprenticeship-vacancies to view live vacancies.
