

Careers Service for students

BMet

Inspiring futures, realising dreams.

WHAT DO WE DO?

The College Careers Service is here to help all students of the College

- Plan their career
- Choose the right course
- Change courses, if they need to
- Progress into work, training, or higher education

WHAT CAN WE PROVIDE?

- Careers information
- Impartial, confidential advice and guidance
- Information about Further Education and university level courses
- Information about training and Apprenticeships
- Help in looking for and applying for jobs
- Help in applying for university
- Interview advice and preparation for university and employment interviews

Look out for special support sessions from local universities to help you with applying to university, personal statements, and finance, organised by your careers team throughout the year.

WHAT ELSE DO WE PROVIDE?

- Careers Library
- Job and Apprenticeship vacancies and labour market information
- KUDOS: a software program to help young people make career choices
- HE Prospectus library
- Access to information on the internet
- Job point kiosks enable people to access free of charge, national and local job vacancies

IN OTHER PARTS OF THE COLLEGE

- College Library. There are newspapers, periodicals and professional journals. Please ask the Library staff for advice

HOW CAN YOU GIVE US FEEDBACK ADVICE ABOUT OUR SERVICE?

- Complete our career surveys throughout the year
- Complete the electronic feedback survey after your careers interview
