The background is a complex, abstract geometric pattern. It features a dark grey base with large, overlapping shapes in vibrant red and orange. These shapes are primarily triangles and polygons of various sizes, some pointing upwards and others downwards, creating a dynamic and energetic visual field. The colors are saturated and the shapes are sharp, contributing to a modern, high-tech aesthetic.

SECTOR BASED WORK ACADEMY PROGRAMMES

SWAP Sector Based Work Academy Programmes

If you are unemployed you can sign up for a Sector Based Work Academy Programme. Affectionally called SWAPs!

In response to the economic impact of the Covid-19 pandemic there is a Regional Skills Recovery Programme offering access to FREE training across the West Midlands.

Sector Based Work Academy Programmes can accelerate your return to employment.

Academies are delivered in conjunction with employers who are recruiting.

Completing a SWAP will help you apply for a job in a new area of work.

Programmes are designed to offer work placements and employer support. This will help you develop your immediate and future skills needs, enabling you to gain employment.

You could be back into work in no time and, whilst you are retraining, you will not lose your benefits!

At our colleges you'll benefit from our partnerships with world leading employers and our links with top universities. Our state-of-the-art facilities, passionate staff, exceptional academic and careers advice, and financial support will help ensure that you realise your dreams.

With courses on offer at our colleges across Birmingham you can be sure there's a college on your doorstep where you will find first-class learning opportunities.

We also offer Access to Higher Education and university level study as well as a host of school leaver courses including A levels – something for everyone! Studying with us can be a real family affair!

PART-TIME LEARNING

Whether you are looking to boost your employability, change your career direction, update your skills or simply learn something new, at BMet we have a part-time course for you!

We realise that adult learners have many demands on their time, and for this reason, we offer flexible part-time and short courses, to suit your needs.

FREE COURSES FOR ADULTS

If you earn less than £25,000 per year and are aged 19 or over, you can study for FREE* on some of our courses.

For courses where there is a fee we offer flexible payment plans and a raft of financial support to help remove any barriers to returning to education.

We can also offer advanced learner loans on some courses and you don't have to start paying back until you earn £25k per year. There is support available to ensure you can study at BMet.

We realise that adult learners have many demands on their time, and for this reason, we offer flexible part-time and short courses, to suit your needs.

***Terms and conditions apply. Entry requirements apply for certain courses. Funding for free courses only applies to ESFA and West Midlands Combined Authority funded adult courses, excluding full cost courses and courses eligible for loans.**

University calling

If you're considering studying for a university-level qualification, we have higher level courses available in:

No barriers to university with our access to higher education courses

Are you interested in studying for a university-level course but haven't got the required qualifications? All is not lost, as our Access to Higher Education (HE) courses could be ideal for you.

Access to Higher Education courses develop study skills, build confidence and allow you to experience different subject areas within your chosen field – to prepare you for study at university.

If you haven't yet secured the qualifications required for a degree-level course, are aged 19 and over, have a Level 2 qualification (5 GCSEs grade A-C or a BTEC Level 2 course) and have some previous experience in your chosen pathway, then an Access to HE course is the ideal starting point.

Fees and finance

We want to make sure that education is available to everyone. If you join us on a full or part-time course – we have a range of support packages aimed to take the stress out of study.

19+ Advanced Learning Loans

Did you know that if you are 19 or over and applying to study at Level 3 or above, you could be eligible for a student loan?

Student loans have traditionally only been available to students studying at degree level, but in September 2013 the government launched a new loan scheme to help people like you access the financial support you might need to study for your qualification. What's more, you do not have to start paying back your loan until you have left the course and are earning over £26,575 a year.

And if you receive a loan to study for an Access to HE course, and then move on to do a HE course, the amount outstanding on your loan for your Access course will be written off once you complete your HE qualification. Research shows that people with a Level 3 qualification or above, earn more than those who are not similarly qualified. Repayments will be made at 9% of annual earnings over £26,575. This means that if you earn £28,800 a year, you will only have to pay back £16 a month. If your earnings drop below £26,575, payments will stop. For further information visit

www.gov.uk/repaying-your-student-loan/what-you-pay

How do you qualify?

To qualify you must be: Aged 19 or over on the first day of your course (there's no upper age-limit). Living in the UK on the first day of your course and have lived in the UK, the Channel Islands or the Isle of Man for three years immediately before this or be a UK national or have 'settled status' (this means there are no restrictions on how long you can stay).

For further details see

www.gov.uk/advancedlearner-loan/eligibility

Enrolling on an eligible course at Level 3 and above which includes: Access to HE Diplomas, other Diplomas and Certificates.

How do you apply for a loan?

You can apply online to Student Finance England using the online application form or you can download the forms and apply by post. Before you can apply, you will need to have a Learning and Funding Information Letter from the college. This will be emailed to you when you complete your enrolment details online.

If you intend to pay for your course through an advanced learner loan, you will need to have made an application prior to or during enrolment.

If you need any help applying for a loan, our team is here to help.

Earn less than £18,138 per annum?

If so, you may be eligible for full funding – yes that's right you may be able to study for free!

If you earn between £17,550 and £25,000 per annum, you may also be eligible for funding. Ask for details when you enrol. Please bring with you proof of your household income with you.

Subject to confirmation and only applies to residents living in the West Midlands Combined Authority Area

Enrolment (online enrolment from 19 April 2021)

Due to the covid-19 pandemic we will be enrolling a little bit differently to previous years.

Traditionally people come into college to enrol but this year we will be doing as much as we can online and by telephone and individuals will only be invited in by strict appointment*. We will also ensure that all social distancing measures are in place to protect anyone coming into college. Call us on 0121 446 4545 option 1 to book your enrolment appointment.

Once you have completed your application we will contact you to confirm the enrolment process.

Course Fees

The course fee is the amount payable at enrolment. However, on some courses, there may be an additional fee to cover materials or examination fees and you will be advised of these at enrolment. You can pay your course fees by bank transfer, debit or credit card or cheque. For some courses, you can also pay by instalments. All cheques should be made payable to Birmingham Metropolitan College. If your employer is paying your fees, you must provide a purchase order from them stating this fact when you complete enrolment.

All fees are payable at the point of enrolment. If you are unable to provide payment or evidence of benefits or employer sponsorship, we will not be able to complete your enrolment.

ID Documentation

We need to see identification evidence at enrolment. Acceptable evidence is shown below:

- Passport
- Photo Driving Licence
- Identity Card or other form of National Identification
- National Insurance Card
- Bank/Debit/Credit Card

Learners enrolling on Higher Education courses, will need to provide evidence from the list below:

- Passport
- Photo Driving Licence
- Identity Card or other form of National Identification
- Birth Certificate (this has to be an original certificate)
- Marriage Certificate (this has to be an original certificate)

*Everyone enrolling needs to have the following documents:

- Benefit/Household Income documents – if you are applying for financial support
- Payment/bank details – if you will be making a payment or paying by instalments

***If you are an asylum seeker, refugee or have a Study Visa or any other Visa type covering your time in the UK, you will also need to bring this documentation with you to enrolment.**
