The background is a complex, abstract geometric pattern. It features large, overlapping shapes in three colors: a vibrant red, a bright orange, and a dark charcoal grey. The shapes are primarily triangles and polygons of various sizes, some pointing upwards and others downwards, creating a dynamic and energetic visual field. The text is centered over this pattern.

SECTOR BASED WORK ACADEMY PROGRAMMES

SWAP Sector Based Work Academy Programmes

If you are unemployed you can sign up for a Sector Based Work Academy Programme. Affectionally called SWAPs!

In response to the economic impact of the Covid-19 pandemic there is a Regional Skills Recovery Programme offering access to FREE training across the West Midlands.

Sector Based Work Academy Programmes can accelerate your return to employment.

Academies are delivered in conjunction with employers who are recruiting.

Completing a SWAP will help you apply for a job in a new area of work.

Programmes are designed to offer work placements and employer support. This will help you develop your immediate and future skills needs, enabling you to gain employment.

You could be back into work in no time and, whilst you are retraining, you will not lose your benefits!

Fees and finance

We want to make sure that education is available to everyone. If you join us on a full or part-time course – we have a range of support packages aimed to take the stress out of study.

19+ Advanced Learning Loans

Did you know that if you are 19 or over and applying to study at Level 3 or above, you could be eligible for a student loan?

Student loans have traditionally only been available to students studying at degree level, but in September 2013 the government launched a new loan scheme to help people like you access the financial support you might need to study for your qualification. What's more, you do not have to start paying back your loan until you have left the course and are earning over £27,295 a year.

And if you receive a loan to study for an Access to HE course, and then move on to do a HE course, the amount outstanding on your loan for your Access course will be written off once you complete your HE qualification. Research shows that people with a Level 3 qualification or above, earn more than those who are not similarly qualified. Repayments will be made at 9% of annual earnings over £25,000. This means that if you earn £28,800 a year, you will only have to pay back £11 a month. If your earnings drop below £27,295, payments will stop. For further information visit

www.gov.uk/repaying-your-student-loan/what-you-pay

How do you qualify?

To qualify you must be: Aged 19 or over on the first day of your course (there's no upper age-limit). Living in the UK on the first day of your course and have lived in the UK, the Channel Islands or the Isle of Man for three years immediately before this or be a UK national or have 'settled status' (this means there are no restrictions on how long you can stay).

For further details see

www.gov.uk/advanced-learner-loan

Enrolling on an eligible course at Level 3 and above which includes: Access to HE Diplomas, other Diplomas and Certificates.

How do you apply for a loan?

You can apply online to Student Finance England using the online application form or you can download the forms and apply by post. Before you can apply, you will need to have a Learning and Funding Information Letter from the college. This will be emailed to you when you complete your enrolment details online.

If you intend to pay for your course through an advanced learner loan, you will need to have made an application prior to or during enrolment.

If you need any help applying for a loan, our team is here to help.

Earn less than £18,138 per annum?

If so, you may be eligible for full funding – yes that's right you may be able to study for free!

If you earn between £18,138 and £30,000 per annum, you may also be eligible for funding. Ask for details when you enrol. Please bring with you proof of your household income with you.

Subject to confirmation and only applies to residents living in the West Midlands Combined Authority Area

Enrolment

Choose your route to enrol! Enrol online or enrol in person from 16 August 2021. See bmet.ac.uk for more details.

Once you have completed your application we will contact you to confirm the enrolment process.

Course Fees

The course fee is the amount payable at enrolment. However, on some courses, there may be an additional fee to cover materials or examination fees and you will be advised of these at enrolment. You can pay your course fees by bank transfer, debit or credit card or cheque. For some courses, you can also pay by instalments. All cheques should be made payable to Birmingham Metropolitan College. If your employer is paying your fees, you must provide a purchase order from them stating this fact when you complete enrolment.

All fees are payable at the point of enrolment. If you are unable to provide payment or evidence of benefits or employer sponsorship, we will not be able to complete your enrolment.

ID Documentation

We need to see identification evidence at enrolment. Acceptable evidence is shown below:

- Passport
- Photo Driving Licence
- Identity Card or other form of National Identification
- National Insurance Card
- Bank/Debit/Credit Card

Learners enrolling on Higher Education courses, will need to provide evidence from the list below:

- Passport
- Photo Driving Licence
- Identity Card or other form of National Identification
- Birth Certificate (this has to be an original certificate)
- Marriage Certificate (this has to be an original certificate)

*Everyone enrolling needs to have the following documents:

- Benefit/Household Income documents – if you are applying for financial support
- Payment/bank details – if you will be making a payment or paying by instalments

***If you are an asylum seeker, refugee or have a Study Visa or any other Visa type covering your time in the UK, you will also need to bring this documentation with you to enrolment.**
