

L1 Horticulture at the Botanical Gardens

WITH JOBSKILLS AT BMET

Are you interested in a career as a Groundsperson or a Gardener? Or perhaps you have a keen interest for working outdoors whilst learning practical skills? If that is the case, BMet are now offering a L1 Horticulture course at our dedicated Study Centre at the Botanical Gardens! It's a great opportunity to learn in an engaging environment - and best of all, it's absolutely FREE!

Course start date: Monday 8th November 2021

(includes introduction and tour of the gardens)

**Course schedule: Three days per week for 5 weeks
(09:30-15:30)**

Course includes:

- ✓ Planting container grown subjects
- ✓ Preparing ground for sowing and planting
- ✓ Preparing soil and applying organic mulch
- ✓ Watering beds, borders or areas of plants in containers

Candidates must:

- Be unemployed and in receipt of a benefit such as JSA or UC
- Be 19+ as of 31st August 2021 and have lived in the UK/EU for the past three year
- Provide appropriate photographic ID such as passport or driving license for enrolment purposes
