Ways we can make returning to education easy

Inclusive Support

If you need support with learning, you can access the Metro Centre at each college for help with English, maths, dyslexia and study skills. Where appropriate, assessments can be arranged for examinations.

Careers

Specialist careers staff can help you to make informed career decisions, improve your employability and prepare you for applying to university, for the world of work or for a promotion.

Funding

We can help you work out what your education is going to cost and how you're going to fund it, including giving you advice on any financial help that you might be able to access.

Welfare

We offer information and support on a range of topics – with a confidential counselling service available for those who need it.

Transport

Depending on your circumstances, we may be able to help with the costs of getting you to and from college.

Childcare

Depending on your circumstances, we may be able to help with the cost of childcare when you are at college.

SWAP

SECTOR BASED WORK ACADEMY PROGRAMMES

SWAP Sector Based Work Academy Programmes

If you are unemployed you can sign up for a Sector Based Work Academy Programme. Affectionally called SWAPs!

In response to the economic impact of the Covid-19 pandemic there is a Regional Skills Recovery Programme offering access to FREE training across the West Midlands.

Sector Based Work Academy Programmes can accelerate your return to employment.

Academies are delivered in conjunction with employers who are recruiting.

Completing a SWAP will help you apply for a job in a new area of work.

Programmes are designed to offer work placements and employer support. This will help you develop your immediate and future skills needs, enabling you to gain employment.

You could be back into work in no time and, whilst you are retraining, you will not lose your benefits!

Call us on 0121 446 4545 to find out more.

Or visit our website to find out more –

Why us?

BMet is a trio of colleges – James Watt College, Matthew Boulton College and Sutton Coldfield College

At our colleges you'll benefit from our partnerships with world leading employers and our links with top universities. Our state-of-the-art facilities, passionate staff, exceptional academic and careers advice, and financial support will help ensure that you realise your dreams.

With courses on offer at our colleges across Birmingham you can be sure there's a college on your doorstep where you will find first-class learning opportunities.

We also offer Access to Higher Education and university level study as well as a host of school leaver courses including A levels – something for everyone! Studying with us can be a real family affair!

PART-TIME LEARNING

Whether you are looking to boost your employability, change your career direction, update your skills or simply learn something new, at BMet we have a part-time course for you!

We realise that adult learners have many demands on their time, and for this reason, we offer flexible part-time and short courses, to suit your needs.

FREE COURSES FOR ADULTS

If you earn less than £30,000 per year and are aged 19 or over, you can study for FREE* on some of our courses.

For courses where there is a fee we offer flexible payment plans and a raft of financial support to help remove any barriers to returning to education.

We can also offer advanced learner loans on some courses and you don't have to start paying back until you earn £27,295 per year. There is support available to ensure you can study at BMet.

We realise that adult learners have many demands on their time, and for this reason, we offer flexible part-time and short courses, to suit your needs.

***Terms and conditions apply. Entry requirements apply for certain courses. Funding for free courses only applies to ESFA and West Midlands Combined Authority funded adult courses, excluding full cost courses and courses eligible for loans.**

University calling

If you're considering studying for a university-level qualification, we have higher level courses available in:

No barriers to university with our access to higher education courses

Are you interested in studying for a university-level course but haven't got the required qualifications? All is not lost, as our Access to Higher Education (HE) courses could be ideal for you.

Access to Higher Education courses develop study skills, build confidence and allow you to experience different subject areas within your chosen field – to prepare you for study at university.

If you haven't yet secured the qualifications required for a degree-level course, are aged 19 and over, have a Level 2 qualification (5 GCSEs grade 4-9 or a BTEC Level 2 course) and have some previous experience in your chosen pathway, then an Access to HE course is the ideal starting point.

Access to HE courses available in:
